The NEW Confederate States of America Catalog & Handbook of Stamps and Postal History a major success.

The much anticipated update, expansion and re-write of August Dietz classical work on Confederate Postal History has gone from "brand new" to "out of print" in only three months. This six year endeavor on the part of the Confederate Stamp Alliance and its members has been a tremendous success.

Congratulations to the editors Patricia A. Kaufmann, Francis J. Crown and Jerry S. Palazolo and to the many other members who contributed to this important contribution to Confederate philately.

For an illustrated and far more in depth look at both the history of prior catalogs and the marvelous changes in this 2012 edition, see [A 21st Century Confederate Catalog](#).

Special Mail Routes of the American Civil War: A Guide to Across-the-Lines Postal History

by Steven C. Walske and Scott R. Trepel

The Confederate Stamp Alliance is delighted to publish a new book on the postal history of the special mail routes of the American Civil War. One of the Alliance's principal goals is to promote research and education on Civil War philatelic topics, and this work admirably fulfills that mandate.

This book contains new and comprehensive information about the

most interesting aspects of Confederate postal history. It is a useful guide to both the experienced and beginning collector alike.
