SUMMARY

A Letter Concerning Toleration and Other Writings brings together the principal writings on religious toleration and freedom of expression by one of the greatest philosophers in the Anglophone tradition: John Locke. The son of Puritans, Locke (1632–1704) became an Oxford academic, a physician, and, through the patronage of the Earl of Shaftesbury, secretary to the Council of Trade and Plantations and to the Lords Proprietors of Carolina. A colleague of Robert Boyle and Isaac Newton and a member of the English Royal Society, Locke lived and wrote at the dawn of the Enlightenment, a period during which traditional mores, values, and customs were being questioned. **This volume opens with Locke's *Letter Concerning Toleration* (1689) and also contains his earlier *Essay Concerning Toleration* (1667), extracts**
