*Tamara Powell*

### Abstract

This review essay provides an overview of the poetry and essays in E. San Juan, Jr.'s *Balikbayang Mahal: Poems of Exile*. Attention is paid to "Mask of the Poet," "Spring in Den Haag, Nederland, 25 March 2007," "Vicissitudes of the Mayakovsky," and "Sa Loob at Labas Ng Bayan Kon Sawi: Emergency Signals from a Filipino Exile." The book explores the postmodern idea of the lack of authentic, monadic self with the ancient idea that everything is connected.
