# Schooling Sex: Libertine Literature and Erotic Education in Italy, France, and England 1534-1685

James Grantham Turner

Oxford University Press (2003)

## Abstract

How did Casanova learn the theory of sex? Why did male pornographers write as intellectual women? What forms of sexuality emerged in the age of educational, scientific, and political revolution? *Schooling Sex* reconstructs the vividly compelling loose canon of sexually-explicit literature, in Latin, Italian, French, and English
