Chapter Summary

After the establishment of the first masonic lodges in the middle of the eighteenth century, Russians became acquainted with works related to kabbalah. The eighteenth century in Russia can be called the age of freemasonry. The study of the

freemasonry was interrupted after the prohibition of any masonic activity in the 1820s. At the same time, kabbalah continuous attention in the groups of theoretical masons, who worked underground until the last third of the nineteenth century. The esotericism pursued by the members of Russian esoteric groups were strongly determined by their occult background. The case of Russian neo-Rosicrucians treated kabbalah without dwelling more on the historical context.
