Abstract

In my first chapter, I will discuss the mark of Cain at greater length. The idea of *daemon*. In the second chapter, I will discuss how it functions as a Nietzschean active nihilism. Finally, in the third chapter, I will discuss the somberness and the problem of fanaticism, and see how Hesse addresses these problems.

Recommended Citation

Punsly, Kathryn, "The Influence of Nietzsche and Schopenhauer on Hermann Hesse." *CMC Senior Theses*. 347.
