Stress Management for Wellness

Walt Schafer; Terri Gullickson

Abstract

Originally published in Contemporary Psychology: APA Review of Books, 1996, Vol 41(8), 848. The reviewers state that this book (see record 1996-97022-000) includes updated research studies, new material about distress-prone and distressresistant social influences, and expanded coverage of the social roots of stress and wellness at the individual and social level.
