Title page from *A New Law-Dictionary*, [George Wythe Collection](#), Wolf Law Library, College of William & Mary.

Author [Giles Jacob](#)

Published [\[London\]](#) In the Savoy: Printed by E. and R. Nutt, and R. Gosling, (assigns of E. Sayer, Esq.) for J. and J. Knapton et al.

Date 1729

Edition First

Language [English](#)

Pages [4], 4, [764]

Desc. [Folio \(34 cm.\)](#)

Location [Shelf K-5](#)

Dictionary is the most famous work of [Giles Jacob](#) (1686 – 1744), a British legal writer and literary critic. A prominent compiler of law in the early eighteenth century, Jacob published several influential texts on local courts and officers; conveyances; and constitutional,

military, commercial and criminal law; and political and poetical work.^[1] Jacob was heavily influenced by philosophers [John Locke](#) and [Thomas Hobbes](#), both of whom believed that "a general agreement on the definition of words was necessary" to eliminate confusion about the meaning of law and the legal rights of people.^[2]

Published in 1729 by E. and R. Nutt and R. Gosling, *A New Law Dictionary* has elements of both a dictionary and an abridgment of law.^[3] In addition to a compilation of legal definitions and a list of Anglo-Saxon and French vocabulary, the treatise includes writs, judicial opinions, legal forms, and other materials that Giles believed would help others better understand the meaning of the law in clear, simple terms.^[4] Giles' dictionary went through ten editions before 1800.^[5] In both Britain and colonial America, Giles' *Law Dictionary* was one of the most widely read English legal dictionaries and often found in the libraries of distinguished colonial lawyers and jurists.^[6]

Evidence for Inclusion in Wythe's Library

Listed in the [Jefferson Inventory of Wythe's Library](#) as "Jacob's L. D. fol." and given by [Thomas Jefferson](#) to [Dabney Carr](#). The [Brown Bibliography](#) ^[7] includes the first edition (1729) while [George Wythe's Library](#) ^[8] on LibraryThing indicates "Precise edition unknown. Numerous folio editions were published, beginning in 1729." The Wolf Law Library followed Brown's suggestion and purchased a copy of the first edition.

Description of the Wolf Law Library's copy

Bound in recent period-style quarter calf over marble boards, raised bands, with blind ornaments and lettering piece on the spine. The title page includes signatures of previous owners. Purchased from The Lawbook Exchange, Ltd.

Images of the library's copy of this book are [available on Flickr](#). ^[9]
