Lacan, Irigaray, and Beyond Psychoanalysis

Leonard, M; (2010) Lacan, Irigaray, and Beyond: Antigones and the Politics of Psychoanalysis.

Full text not available from this repository.

Abs

In her recent book *Antigone's Claim*, Judith Butler returns to the question of how Antigone would have happened if psychoanalysis had taken Antigonism as its starting point. This chapter explores how the figure of Antigone has played out in France. As Luce Irigaray and Jacques Lacan compete for the role of Antigone as the battleground for psychoanalysis and its definitions of woman, the figure of Oedipus as its point of departure, it would have given rise to a new psychoanalytic sexual subject. The debate about ethics and politics about feminism's relationship to politics.

Type: Book chapter

Title: Lacan, Irigaray, and Beyond: Antigones and the Politics of Psychoanalysis.
