## Refugee health: an approach to emergency situations

Author(s) : [Médecins Sans Frontières](#)

Book : [Refugee health: an approach to emergency situations](#). 1997 pp.384 pp.

Abstract : This comprehensive operational manual, aimed at professionals giving public health assistance to refugees and displaced persons, deals with a variety of specific refugee health issues and discusses the priorities of intervention in the different phases of a refugee crisis, from emergency to repatriation. The manual gives detailed information on bacterial, viral and parasitic diseases of potential importance in refugee settings.
