Abstract

Book synopsis: *The Family Law & Society; Cases & Materials* is an invaluable resource for students. Produced by an esteemed author team it provides a wealth of carefully selected materials offering an overview of the social, economic, and political trends which have come to shape contemporary family life. The materials are linked by the authors through detailed commentary, opening up the complex legal issues for discussion and offering academic and judicial viewpoints. □ □ This new edition has been developed extensively to more effectively meet the needs of the undergraduate student, and

as such the authors have created a casebook which combines the expertise of previous editions with a strong awareness of today's family law student.
