## Women artists in history: from antiquity to the 20th century

Author(s) : [Slatkin, W.](#)

Author Affiliation : University of Redlands, Redlands, California, USA.

Miscellaneous : [Women artists in history: from antiquity to the 20th century](#). 1997. 199 pp.

Abstract : This volume provides an introduction to the accomplishments of women artists throughout recorded history. The careers of approximately 60 creators, including painters, architects, and sculptors are discussed and illustrated. Each selected artist has made a significant contribution to the history of art and have survived a rigorous selection process, including technical or formal innovations, iconographic originality, a

influence, and status in their contemporary culture. It does not build a case specifically feminine style, and where possible, comparisons to male artist's reproduced to illustrate the influence that these selected women exercised contemporary culture. The book is divided into 12 chapters, chronologically reflect significant movements in arts history.
