Evaluation of the Bauer Kirby-Sherris-Turck single-disc diffusion method of antibiotic susceptibility testing

Author(s) : [Matson, J. M.](#) ; [Kopeck, M. J. H.](#) ; [Quiet, P. G.](#)

Book : [Antimicrobial Agents and Chemotherapy](#) 1970 pp.445-453 pp.

Abstract : The authors confirmed that the method described by Bauer *et al* [*Path.* 45, 493-496 (1966)] gives reproducible and accurate results, except that it may falsely indicate that enterococci and *Proteus* are resistant to penicillin. Value of colistin and polymyxin B did not provide an accurate separation of sensitive strains. RM.
