

# The Bakhtin Reader: Selected Writings of Bakhtin, Medvedev, and Voloshinov

M. M. Bakhtin

E. Arnold (1994)

---

## Abstract

Incessantly cited by critics, Bakhtin's work none the less remains relatively unavailable: partly through lack of suitable editions, partly because no individual text conveys all the key concepts or arguments. This anthology provides in a convenient format a good selection of the writing by Bakhtin and of that attributed to Voloshinov and Medvedev. It introduces readers to the aspects most relevant to literary and cultural studies and gives a focused sense of Bakhtin's central ideas and the underlying cohesiveness of his thinking.
