Information Transfer and Management

Abstract

No matter what the goal might be, from financial management and vacation planning to finishing homework and keeping in touch, there are quality Web resources available for free that can help individuals and families-if they know where to look. But who has time to find and evaluate them? This comprehensive, handy guide offers an easy shortcut to all the websites, blogs, online tools, and mobile phone apps that help real people make wise decisions in many aspects of modern living. Each chapter addresses real-life family dilemmas such as how to fix a car, how to find the best price for baby diape
