Too frequently the biblical hermeneutics of the Lollards have been oversimplified and described as “sola scriptura” comparison. Limited attention has been given to the hermeneutic of Scripture particularly that of the Old Testament homiletic tradition as espoused in the Middle English Wycliffite festival. Building on the work of Kantik Ghosh and asserts that the Middle English Wycliffite sermons' focus upon the Old Testament prophetic literature as a source Testament, the reluctance of the politically conservative Wycliffite movement to embrace a radical apocalyptic visi

Lollard hermeneuts to acquire certitude resulted in the limited use of the book of Daniel in Wycliffite sermonic literature. In contemporary sermon cycles and later uses of Daniel by more radical English groups, it becomes obvious that the radical critique of empire or maintain a radical apocalyptic vision that might have found greater use for Daniel.
