Description

Many works now considered classic literature were first published. While some of these works were enormously popular at the time, others were scorned as juvenile fiction that is only now beginning to receive the growing respect given to American literature as librarians and educators have made it available to the public. The volume looks at the history of these works, from juvenile fiction, romance novels, and pulp magazines to these works say about the values of those who scorned them.

1830s to the 1950s and sho
