Abstract

The topic for my thesis is a critique of traditional American "v associated fairytale imagery using a materialist feminist appro came to fruition after a classroom discussion regarding a singl custom sparked my interest in researching the ways in which reinforce traditions that symbolize women's secondary status explore each aspect of the mainstream American wedding- th wedding. Upon delving into the scholarly research on the subj that only a few ctical examinations of weddings existed and r combined all of the elements involved in the ideological creati "white" wedding. After perusing through various primary and started to recognize the complex interplay between history, p capitalism and their combined role in perpetuating rituals of s notions of romance and fantasy.

Comments

A thesis submitted in partial fulfillment of the requirements of Program, University of South Florida St. Petersburg.
