Find this in a Library[Catalog Record](#)**Description**

New to this chapter in the Eighth Edition are e-resources that can be compared to print resources. While the e-resources may not be as comprehensive as print resources, they can provide some good information in the event that access to print resources is not possible. All of the print resources listed are available in a library reference collection or circulating collection and most are available in all libraries. From cocktails to cockatiels, this chapter supports a variety of interests.
