SUMMARY

In the wake of economic crisis on a global scale, more and more people are reconsidering their role in the economy and wondering what they can do to make it work better for humanity and the planet. In this innovative book, J. K. Gibson-Graham, Jenny Cameron, and Stephen Healy contribute complex understandings of economics in practical terms: what can we do right now, in our own communities, to make a difference?

Full of exercises, thinking tools, and inspiring examples from around the world, *Take Back the Economy* shows how people can implement small-
