Summary and Implications

The Future of Interactional Justice: Concluding Thoughts and Questions

Final Thought

References

[-] Abstract and Keywords

Over the past 25 years, interactional justice has captured different fields of study. In this chapter, I look backward on interactional justice. This review demonstrates its power and provides additional insight and explanation into organizational justice processes and outcomes. In addition, I will argue that there is an underlying interactional justice, which enables me to “1” address key questions for research for interactional justice.
