Abstract

Comic books are a medium which should be able to reach reach the female. Yet, the overwhelming majority of comic book readers from a sociological perspective asks what the role of women is in a genre that come to be, and how can it be changed for the betterment of the industry. The content of the comics themselves, and the opinions and reading habits of comic book fans, can be studied to determine where this disparity begins, and how it has changed over sixty years. Through this study, the roles of women in comics and the reasons behind them.

Subject(s)

Comic books, strips, etc. - Sociological aspects.
