SECOND SUPPLEMENT TO A CATALOGUE OF AUSTRALASIAN BIRD SOUND

J Boswall

Emu 81(4) 223 - 226

Published: 1981

Abstract

New or re-issued gramophone records or cassettes of Australasian bird sound are listed. A large important unpublished compilation of Australian bird sound is mentioned and other sources of unpublished material listed. To date, the voices of about 600 Australasian species have been sound-recorded and of these about 250 have been published.
