**Report Date :** 22 Mar 2010

**Pagination or Media Count :** 22

**Abstract :** Music is universal to every human society. Martial music has played an integral, positive role for the military. Music helps unite societies and their military forces in times of war and peace. Martial music has been used to communicate, enhance discipline, as a psychological instrument of war, to calm troops, and to improve esprit de corps. Understanding the universal, timeless nature of music generates enhanced fighting spirit for success on the battlefield.
