Title: Sleeping with the Devil?
Author: Carapico, S.
Journal Title: ISIM Review
Issue: 1
Volume: 20
Start Page: 8
End Page: 9
Pages: 2
Publisher: ISIM, Leiden
Issue Date: 2007
Date:
Keywords: Muslim NGOs

Abstract: This article analyzes the multiple reasons that underlie the lack of cooperation between Western development organizations and Muslim NGOs. The author argues that there is no singular cause for this state of affairs. Instead she demonstrates how existing biases and prejudices, government-imposed obstacles, institutional incompatibilities, and burgeoning distrust mutually reinforce the unlikelihood that Western-Islamic humanitarian cooperation will gain ground.
