Australasian Public Libraries and Information Services

Volume 22 Issue 1 (Mar 2009)

Langan, Colleen

Abstract: Parents are a child's first teacher and want the best for their child. However the parental role comes without a prescribed course. Increasingly parents are seeking support for this role and turning to their public libraries. Shoalhaven Libraries,

a medium sized service based in Nowra in New South Wales, has responded by extending its beyond storytimes to include other programs to support early childhood literacy development.
